RULES AND REGULATIONS

The School Rules and Regulations are designed to reflect the principles described in the Code of Conduct (which is published in the termly Directory) and to help school life to run smoothly. Each boy's parents must undertake that he will abide by the Rules and Regulations. It is expected that all members of the school will, by their consideration for others and by their manners, behaviour and appearance, contribute to the happiness and good name of the community.

RULES

Registration and Assembly

Registration is a vital part of the school day and a legal requirement for all pupils.

All boys attend Registration with their Form Tutors at 8.45 am and at 1.55 pm. Special arrangements apply for games and Friday afternoons. All boys must attend Assemblies, House meetings and Form meetings.

Boys who miss Registration must sign in at Reception. If a boy who is late for Registration can get to the appropriate Assembly, he is expected to do so.

Tutors, Heads of Year and Heads of School track attendance, punctuality and absence; sanctions will be issued to those who are repeatedly late or who do not attend school commitments without a valid reason/permission.

Absence

Absence through illness / medical appointment

If your son is unable to attend school through illness, it is essential that you should call the School (0121 472 1672) on the first morning of his absence - and every day thereafter - **before 10.00 am**. It is also helpful to email your son's form tutor to confirm such an absence.

When your son returns, it is equally important that you should email his Form Tutor clarifying the reason for the absence.

Please ensure that you follow the guidance regarding public health and school attendance.

Please also contact your son's Form Tutor regarding absence for medical appointments. We ask that routine dentist appointments are made during the School holidays.

Other absences from school

The School appreciates that there may be other circumstances where an absence is unavoidable. Requests for such absences should be made to Tom Quayle (Deputy Head Pastoral) (tdq@kes.bham.sch.uk).

It should be noted that parents have a legal duty to ensure that their children are in school, and that absences will only be granted in exceptional circumstances and where a request for absence has been sought well in advance. Parents are strongly discouraged from making requests for absence for reasons of personal convenience.

Uniform

All boys wear the school uniform at school and on their way to and from it. The uniform consists of black shoes (not trainers), black trousers (not cords or jeans), a white shirt, and the school tie and blazer. The school uniform navy pullover is optional. Non-uniform pullovers, cardigans and sweat-shirts are not acceptable. Brightly coloured / white socks are not allowed. Jewellery or tattoos are not permitted.

The kit prescribed by the teacher or coach in charge must be worn for all games, PE lessons and for Friday afternoon activities, and in the Sports Hall.

All clothing, games kit, bags and coats MUST be clearly marked with the owner's name.

Boys involved in certain activities on Fridays may be given permission by the teacher in charge to come to school on Friday morning in the appropriate kit rather than school uniform. All CCF boys must wear school uniform to and from school unless they are delivered to and collected from school by car. See separate guidelines for Friday Afternoon dress.

Representing the School

Boys who are selected to represent the school in any activity are expected to do so whether the event occurs on a school day or at the weekend.

REGULATIONS

Bags and musical instruments

These should be clearly marked with the owner's name. If possible they should be kept in lockers, left in the Form Room or a designated bag store outside lesson time. Larger musical instruments should be kept in the music storage room.

Coats

Coats should normally be stored in lockers, and should not be worn inside school buildings or e.g. during lessons.

Mobile phones

Separate guidelines are published governing the use of mobile phones in School.

Eastern Road / Southall Pavilion / Lloyds Bank

When going off main site, boys must use the crossing at the bottom of Edgbaston Park Road, or face serious disciplinary sanctions.

Lockers

Lockers are allocated at the beginning of the Autumn Term. Each boy must use his own padlock (which can be purchased from the science technicians). Spare keys may be deposited with the Form Tutor.

After School arrangements

If not involved in a supervised activity, boys may only be in the library from 4.15pm – 6.00pm. All boys must be off the school site by 6.00pm unless involved in a supervised activity. The School will be locked at 7.00pm.

Notices and Advertisements

Notice boards exist primarily for the advertisement of school events and may not be used for other notices unless permission has been obtained from the Deputy Chief Master. Notices must not be larger than A3 size, and must be displayed only on the **boards** provided.

Valuables

Parents are recommended not to permit boys to bring large sums of money, or valuable items, to school.

When changing for PE, games etc. boys should either leave valuables locked in their lockers or ask the teacher or coach to lock them away securely. If the activity takes place in the Sports Hall or Swimming Pool, boys may take their valuables with them into the activity area.

Parents are strongly advised to insure their son's possessions as the school cannot accept responsibility for losses.
