Catering charges

Catering is charged on a termly basis in advance based on the number of catering days in the coming term. No reduction is provided for fewer than five consecutive absences due to ill health.

All pupils in Shells (Year 7) are required to participate in the lunch system and the catering charge will be added to the tuition fee in the first year.

Pupils in Removes (Year 8) to Fifths (Year 11) can either opt in or out of the catering system on a termly basis and these charges are paid separately from the tuition fee through SchoolComms as part of the supplementary charges system.

Miscellaneous charges

From time to time, pupils will have the opportunity to take part in various local educational trips, for example theatre trips or local geography and history field trips. An appropriate charge will be made to cover the cost of admission and transport where applicable.

A late payment fee of £5.00 per day may be charged on overdue balances for school fees where parents have previously been reminded of their arrears.

An administration fee of £25.00 may be charged for repeated failed direct debit collections.
